ORGANICA

DOUBLE Chilli Barrier + wax

- High potency Chilli extract
- Flushes insects from foliage
- Creates protective latex and wax barrier over foliage whilst retaining air and nutrient exchange capacities of plant tissues
- Flavour irritates fruit eaters such as bats, birds, possums etc
- Residual aftertaste easily removed by washing produce in warm water
- Can be tank mixed with nutrient sprays
-Compatible with other Organica products (eg. SilicateSharps, Barrier)
- Certified Organic 442
- Available in 20L, 200L & 1000L. Larger volumes by arrangement.
-NB: Use with caution on 'Pick-and-Eat' crops such as strawberries, grapes, stone fruit

DIRECTIONS FOR USE:

0.5—1 L/ 100L water.
Thoroughly pre-mix as per drum instructions before adding to spray tank. Half-fill spray tank with water before adding.

DO NOT USE A WETTING AGENT.

Double Chilli Barrier + Wax is compatible with a broad range of insecticides and fungicides. Compatability should be checked prior to use by performing a jar test.
Chilli Barrier contains its own wetting/sticking ingredients — do not use other wetting agents.

Store in a cool place out of direct sunlight
