Organica Bio-Liggy Moly

ORGANICA AUSTRALIA P/L

- Technical grade fully chelated Molybdenum Trace Element Fertiliser.
- Includes Cobalt, Selenium and 22 rare earth minerals , which are deficient in most Australian soils
- Safe on seedlings, young foliage, roots. *Non phyto-toxic at recommended rates.
- Contains amino acids, proteins and silica
- Balanced and chelated into easily trans-locatable organic compounds using technical grade lignosulphonates and amino acids
- For soil or foliar application

WARNING!! **Do not mix with oils! Check with your distributor if unsure. MIX contents thoroughly before each use as some sedi-ment occurs due to micro-organism activity.**
*** Buffer pH of spray water around pH 7.0**

Exclusion of liability: This product as supplied is of a high grade and suitable for the purpose for which it was expressly intended. No responsibility is accepted by the manufacturer or its agents in respect of this product, except for the replacement of this product if found to be faulty. No responsibility is accepted by the manufacturer or its agents for failure, loss, liability, injuries (consequential or otherwise). Purchaser accepts all responsibility for the storage, use and performance of this product.

Fully Multi-Chelated Carbon-Moly-Trace Elements Including a full range Immediately Available Micro-Nutrients + N fixing Bio stimulants

Ideal for all Molybdenum deficient soils, Fruit, Vegetables, Vines, Tree crops, Fodder

The Molybdenum/Nitrogen Symbiosis : Nitrogen-fixing bacteria cannot fix atmos-pheric nitrogen without Molybdenum. Bio Liggy Moly is a Complete Carbon chain Chelated Bio-Trace Molybdenum Fertiliser, balanced and chelated into Organic Polymeric Complexing nutrients containing beneficial foliar and soil Micro-Organisms + Rare Earth Minerals to enable the Nitrogen Fixation via Organica's Biological N Fixing Technology .

GENERAL DIRECTIONS FOR

Pre-plant:	**1-2 L/Ha***
Fertigate:	**1-2L/Ha***
Foliar:	**50-100 mls/ 100L water ***
Boom:	**5L / 1000L water***

Typical Analysis W/V:

Nitrogen	1.0%
Phosphorous	0.05%
Potassium	O.10%
Calcium	0.5%
Sulphur	0.65%
Magnesium	0.0%
Manganese	0.05%
Iron	0.5%
Boron	0.05%
Copper	0.15%
Zinc	10.0%
Molybdenum	6.2%
Cobalt	0.02%
Selenium	0.02%
Silica (Foliar)	0.2%
Amino Acids	1.25%
Growth stimulants/kelp	0.008%
Micro-filtered to 20 microns	

Attention: This product is biologically active!! Store in a cool place out of direct sunlight! Do not mix with Phosphate and Sulphate products!
