Material Safety Data Sheet

May be used to comply with

OSHA's Hazard Communication Standard,

Occupational Safety and Health Administration
(Non-Mandatory Form)

IDENTITY *(As Used on Label and List)* **Organica Australia Pty Ltd** **Ganixx Bio High K** Active ingredients.Potassium Salts ,Potassium Inert ingredients: Water, Emulsifiers, preservatives, Trace elements. Total inert28% Total 100%]	

Section I

Manufacturer's Name: **Organic Australia p/L**	Emergency Telephone Number **0402856924**
Address: **41-43 Marble Drive , Kingston Brisbane,Q.,**	Telephone Number for Information 0447 378 992
Australia 4114	Date Revised : August 2025 Date Prepared July 2020

Section II - Physical/Chemical Characteristics

Boiling Point	**101.5°C**	Specific Gravity (H_2O = 1)	1.05
Vapor Pressure (mm Hg.)		Melting Point	**N/A**
Vapor Density (AIR = 1)		Evaporation Rate (Butyl Acetate = 1)	**>0.10**
Solubility in Water 99% **Complete in all Proportions**			
Appearance and Odor **Slightly coloured green, low odor liquid.**			

Section III - Fire and Explosion Hazard Data

Flash Point (Method Used) **N/A**	Flammable Limits **Not flammable**	LEL **N/A**	UEL **N/A**
Extinguishing Media N/A			
Special Fire Fighting Procedures Self contained breath apparatus.			
Fire and Explosion Hazard: The product is not flammable.			
Unusual Fire and Explosion Hazards **NONE**			
Hazardous Decomposition Products: Vapors, Carbon Dioxide,			

Section IV - Reactivity Data

Stability: Reacts with organic and inorganic acids.		Elevated pH.	Conditions to Avoid: Contact with skin, eyes, or prolong inhalation. Do not ingest product.
Classified non hazardous			
Incompatibility: Acids and acid compounds (acid compounds)			
Hazardous Decomposition or Byproducts None			
Hazardous Polymerization Will not occur.			Conditions to Avoid

Section V - Health Hazard Data

Route(s) of Entry:	Inhalation? **Yes**	Skin? **YES**	Ingestion? **YES**
Health Hazards: Contains non hazardous ingredients and is non-flammable and slightly corrosive.			
Carcinogenicity:	NTP? **N/A**	IARC Monographs? **N/A**	OSHA Regulated? **N/A**
Signs and Symptoms of Exposure			
Emergency and First Aid Procedures: Inhalation: Remove person to fresh air. Seek immediate medical assistance.			

Ingestion: Seek immediate medical attention. Do not induce vomiting. Vomiting may cause further damage to the mouth and throat. If individual is conscious and alert, immediately rinsing mouth with water and give water to drink. If possible, do not leave individual unattended.
Skin: Immediately flush skin with plenty of water and soap for at least 15 minutes while removing contaminated clothing and shoes. Call a physician immediately. Wash clothing before re-use and clean contaminated shoes.
Eyes: Immediately flush eyes gently with water for at least 15 minutes while holding eyelids apart. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. If symptoms develop as a result of exposure, immediately move individual away from exposure and into fresh air before flushing as recommended above. Call a physician immediately.

Section VI - Precautions for Safe Handling and Use

Steps to Be Taken in Case Material is Released or Spilled: Cover the contaminated surface with sawdust or similar Mix and add water if necessary to form a slurry. Scoop up slurry and wash site with water . Proper cleaning procedures are essential. Trained personnel should conduct this procedure. Untrained personnel should be removed from the spilled area.
Waste Disposal Method: A leaking bottle may be placed in a plastic bag and normal disposal procedures followed. Liquid samples may be absorbed using vermiculite or sand, and disposed of in the normal way.
Precautions to Be taken in Handling and Storing Avoid contact with eyes, skin or clothing. Keep bottle/container tightly closed and store in a cool, dry place.
Other Precautions **N/A**

Section VII - Control Measures

Respiratory Protection: usually not required. Wear a properly fitted half-face or full-face air purifying respirator which is approved for pesticides (NIOSH/MSHA IN U.S		
Ventilation: Product for outdoor use only.	Local Exhaust **N/A**	Special **N/A**

Protective Gloves: **Wear Neoprene, Nitrile, or natural rubber gloves.**	**Eye Protection** Wear chemical googles when handling the product and during application.
Other Protective Clothing or Equipment: Rubber apron is recommended when handling this product. Wear long sleeved shirt, long pants, socks and shoes.	

Section VIII - Special Precautions

Precautions to be taken in Handling and Storing: Keep container tightly closed when not in use. Store only in the original container in a cool, dry place.

Section VIIII - Transport Information

- UN Number: Not regulated (no UN number assigned).
- UN Proper Shipping Name: Not regulated (not dangerous goods).
- Transport Hazard Class(es): Not applicable (not dangerous goods).
- Packing Group: Not applicable.
- Environmental Hazards (IMDG/Marine pollutant): Not classified as a marine pollutant based on available information; however, prevent release to waterways.
- Special Precautions for User:
  • Keep container tightly closed; store/transport in a cool, dry place.
  • Segregate from strong acids and bases (incompatible materials).
  • Upright stowage; secure to prevent movement/leaks. If spillage occurs, absorb with inert media and do not allow to enter waterways.
- Transport in bulk according to Annex II of MARPOL and the IBC Code: Not applicable (not transported in bulk).
- Mode-specific provisions:
  • Road/Rail (ADG): Not regulated as Dangerous Goods. Rationale: non-flammable, non-hazardous mixture.
  • Sea (IMDG): Not regulated as Dangerous Goods. See environmental note above.
  • Air (IATA/ICAO): Not regulated as Dangerous Goods. Basis: product not flammable and not assigned to any hazard class.

The above information is believed to be correct, but does not purport to be all inclusive. This data should be used only as a guide in handling this material. Organica Australia P/Lshall not be held liable for any damage resulting from handling or from direct contact with this product.
